Dear Mrs. Boulton;

The following prices for deslick grit to be supplied to the following stations that you requested is as follows.

Station Name	Product Price	Freight Price	Total Price
Station 3433, Tabiona SR35 MP 47.	7.63 yd.³	16.44 yd. ³	. 24.07 yd. ³
Station 3433, Pinion Ridge US 40 MJ	P71 7.63 yd. ³	16.44 yd. ³	. 24.07 yd. ³
Station 3434, Duschesne 8225 South	21510 west 7.63 yd.3	14.97 yd.³	. 22.60 yd. ³
Station 3435, Roosevelt 400 West US	5 407.63 yd. ³ .	16.44 yd. ³	24.07 yd.³

These prices are based upon the price of On-Highway diesel at three dollars a gallon. Will this material be ordered over the remaining time left on the second contract (that I'm sure this amendment will be attached to)? Or will these stations only order a one-time shot of 1000 tons each within the next few months? If the material is ordered over a longer period of time will a surcharge be worked out to offset the price of fuel?

Thank you for the opportunity to be of service.

Sincerely;

Lee T. Miller

General Manager for Red Dome Incorporated

P.S. The fuel surcharge was applied to contract number 49066 and did not have any indication as to applying to contract number 059073 was this a oversight? We would appreciate a heads-up. Thank you
